

## **FAQ: Do you teach guitar?**

No, I only teach BASS guitar. If you are looking for a guitar teacher, I highly recommend [Jason Starkey](#). In my 35 years in the music business, I've never met a musician more naturally gifted than Jason. Musicians with amazing talent and expertise often have trouble bridging the gap for beginners and hobbyists, but Jason has a unique, simple approach to teaching that makes the fundamentals of musicianship accessible to anyone. Built on 30+ years of professional performance experience, he has discovered his true passion ~ passing his love for music on to others.

*“My true passion is teaching and helping others with music. If you know someone interested in learning guitar and music theory, please send them my way. Thanks!”*
